Absence Queue	
<p>The Absence Queue lists all the students that have been marked absent or tardy in daily attendance. This screen is used daily to reconcile student absences by adding reason codes, adding notes from parents, recording phone calls to the parents, etc. Student records remain in the Absence Queue until they have been resolved and marked "Done."</p>	
Attendance by Student List	
<p>The Attendance by Student List is used to display students and edit attendance codes. When a student does not display in the Absence Queue, an attendance administrator can enter the appropriate code so the student displays in the Absence Queue.</p>
